PART IV

SCHEDULE 02

BT provided External Tie Cable

1. General

- 1.1. On receipt of an order from a Communications Provider for an External Tie Cable to an MDF Site, BT shall negotiate in good faith with the LLU Industry Group, or successor body, to introduce a process to deliver the External Tie Cable. The progression of the order shall not be unreasonably delayed during the industry negotiations and shall use the processes agreed with the LLU Industry Group for the basis of the order.
